What the heck makes you think you can take your day off??? I need to come in tomorrow after travel on my scheduled day off to deal with this..... I know woe is me..... :-(

Seriously for helping Jerry with getting the skids greased..... Have a nice long and hopefully quiet weekend. Den

Jerry:

Got your VM message thanks. I have prepared Larry and Dana T. for the likelihood of the request for concurrence coming in tomorrow. Both Larry and I will be out of the office tomorrow (Friday), but Dana T. will be in. Larry and I will be monitoring Blackberry and, in addition, I have prepared Eugene Lee (of my staff and your R3 coordinator) who also stands ready to assist in any matter.

Thanks again,
